INCUMBENTS PROMISE TO TAKE "WARD GOVERNMENT" TO PEOPLE

"No Commitments to Any Group, But Represent All," Barbour Says

In a last-minute surprise move, O. D. D. Ewing, independent candidate for the city council, today announced his withdrawal from the race and called upon all those who have supported him to cast their votes for the Barbour-Blazer-Carney ticket.

Declaring that "personal reasons" and "a change in livelihood" made this step necessary, Mr. Ewing in throwing his support to the Barbour-Blazer-Carney ticket said:

"Through the endeavors and forward assertions of these energetic individuals Upland will expand and grow, in business and industry."

The complete statement announcing his withdrawal from

O. D. D. Ewing

the race follows:

"In withdrawing as a candidate for councilman, I wish to thank my sponsors and friends for the splendid support given during the pre-election period. Due to a changle in livelihood and personal reasons I find it necessary to so do.

"I urge each and everyone in Upland eligible to vote to support candidates who support all parts of the city, all people in the city including the working man, as well as big business.

"The Barbour, Blazer and Carney ticket have pledged themselves towards a better Upland. Through the endeavors and forward assertions of these energetic individuals Upland will expand and grow, in business and industry. These same men are interested greatly in the immediate development of our children's playground and recreation facilities, facilities which are sorely lacking in a city the size of Upland.

"Think of your children, an expanding business city and a progressive Upland."

Declaring that they have made no commitments to "any group, organized or otherwise," the Barbour-Blazer-Carney slate today in its final statement to the voters before election day said that, if elected, they would endeavor to "represent all of the people with fairness to all and malice toward none."

The complete statement as issued by Harold N. Barbour, spokesman for the ticket, follows:

In our final statement to the voters we want to emphasize the fact that we have made no commitments to any group, organized or otherwise, in our campaign for election to Upland city council. Our ticket is a coalition of working men and small farmers. In the event of our election, we shall endeavor to represent all of the people with fairness to all and malice toward none.

We welcome the support of the whole people, large and small, ranchers, working men, business men, professional men and private citizens. We are independent in thought, deed and action and are interested only in better government for our community. Our platform has been presented to the people fairly and squarely. Let them make their choice at the polls on April 9.

To Study Cost Of Underpass

R. G. Manley, city manager, was instructed by the city council last night to conduct a survey on the corner of Foothill boulevard and Campus avenue and to also make a further study on the cost of building a pedestrain underpass there.

This action came following a report by Mr. Manley that he had discussed the matter both with state highway officials and officials in Claremont where they have an underpass. Mr. Manley said that the state official was not too much in favor of it because he said it would present a moral problem. However, city officials in Claremont said no such problem had existed in their experience.

Commenting on the possibility that a survey might be made by the highway department, Councilman Ray Sherwood said, "One state official doesn't like stop signs and the other doesn't like underpasses, so we won't get very far by a survey."

Mr. Sherwood had reference to the report by A. Q. Sullivan, head of the county highway department, that he did not favor stop signs on the Foothill-Campus corner. The council had written to him requesting those signs after 350 residents in that area presented a petition requesting stop signs.

Brief Biographies of Candidates on Page 2

Brief but complete biographies of all the candidates will be found today on page 2 of section 1. The Upland News presents these biographies in order to provide all the information possible about every candidate seeking office. This newspaper has always believed that only an informed electorate can vote intelligently and for that reason has given a large amount of space to all the statements made by all of the candidates throughout the campaign. Turn to page 2 now and read about the men who are asking you, the voters, to elect them to the council. You can only vote for three. Be sure that you consider carefully before you vote next Tuesday. But whatever way you vote, be sure to vote.

195 MEMBERS

Membership of Upland post 73 of the American Legion has risen to 195 members, it was disclosed today. Of this number only 88 are World War I veterans.

Precinct Boundaries Changed; Check With City Clerk Cassell

Due to the increased population in the city, primarily in the Los Olivos and Parkside projects, there have been some changes in the precinct boundaries. All those who aren't sure in what precinct they now belong are urged to check the map in City Clerk Hazel M. Cassell's office as soon before election as possible.

The three polling places and the precincts they include follow:

Upland Elementary school—1, 2, 3, 4, 6,.

Public Library—5, 7, 8, 9.

Chamber of Commerce—10, 11, 12, 13, 14.

Mayor To Name Vet Memorial Committee

A committee of 12 to 15 people composed of civic leaders in the community will be appointed by Mayor Eugene G. Nisbet within the next few days to go over the plans of the proposed Veterans' Memorial and report back to the council probably at its next meeting.

This was agreed upon last night at the meeting of the Upland city council upon the presentation of a letter by Edgar Pierce, adjutant of Upland post 73 of the American Legion, requesting that the bond issue for the Veterans' Memorial be placed on the June 4 primary ballot. The Legion also desired instruction on the form to be used in circulation of petitions to meet the legal requirements for placing the question on the ballot.

The motion authorizing Mayor Nisbet to appoint the committee which was made by Councilman Paul Hottel and seconded by Councilman James Goodban, stated that the "mayor appoint a committee to coordinate with the Legion committee to go over plans for the proposed Veterans' Memorial in an effort to reach a suitable plan and to arrive as near as possible at the cost and to report back to the council."

GROUPS REPRESENTED

It is believed that on the committee will be representatives from the coordinating council, planning commission, council, Boy Scouts and other civic groups so that a representative cross-section of the city could be included.

There was some question in the mind of City Attorney Edward Gray on whether all the legal details could be completed in time to place it on the ballot by June 4 or not.

Councilman Ray Sherwood said that every effort should be made to speed up all the legal technicalities so that the bond issue could be placed on the primary ballot, otherwise it would re-

Speculation Over Election Prevails

As the campaign for three places on the Upland city council comes to a close, speculation is prevalent throughout the city as to the outcome.

Two slates of three candidates face each other in the contest, with only one independent candidate, Carlos R. Long, remaining in the race. The withdrawal of O. D. D. Ewing came as a surprise to most people, although his bowing out in favor of the Barbour-Blazer-Carney ticket has been suspected in some quarters.

Mr. Ewing's name, like those of Harry Wright and H. H. Reimer, who withdrew last week, will still appear on the election ballot, however. Voters still are able to cast their ballots for either one, or all of them, if they so desire. But their withdrawal and public support of the two opposing slates heightened the interest in an election which has been one of the liveliest in the city's history.

Little or no interest has been manifested in the race for city clerk since Mrs. Hazel M. Cassell has had no opposition in her bid for re-election. She is running for the short term of two years.

It was reported by Mrs. Cassell that there are more than 3,000 registered voters in the city. The number of those who vote in the election may in a great measure determine the results of the election. In the 1942 election which brought Paul Hottel and James Goodban and Richard Ibanez to the council only a little more than 1,000 votes were cast. At that time Mr. Goodban drew 749; Mr. Hottel, 704, and Mr. Ibanez, 518.

While the opposition slate has done most of the early campaigning, the incumbent ticket saved most of its political ammunition for the latter stages of the campaign. It had been obvious from the beginning that the real battle would be between the incumbents and the Barbour-Blazer-Carney slate.

All voters are urged to go to the polls early!

Burglar Gets Into Storage House

A burglar broke into the refrigerator house belonging to Earl Marsh, of 124 North Second avenue, but failed to get anything for his trouble.

According to police, the burglary is believed to have occurred sometime Tuesday or Wednesday but was not discovered until yesterday. It is believed that the burglar entered the building, which is located at 1637 West Ninth street, through the west window and then left through the east door after putting the window back in place.

Scooter Driver Says Car Crowded Him Off

E. R. Etter, 855 North Campus avenue, reported to Upland police late yesterday afternoon that as he was going north on his motor scooter on Campus avenue he was crowded off the road by a 1937 Chevrolet sedan towards some parked cars. He was able to stop in time, however, and did not hit any of the cars, he said. He stated that he would be in today to sign a complaint against the driver but by 12:30 p.m. today he had not shown up.

Legion Gives $100 to Fund

Upland post 73 of the American Legion voted Wediesday night to give $100 to the Raymond Davis Building Fund and also agreed to hold a benefit stag on April 17, with the entire proceeds going to the Davis fund.

A woman's purse made by Ray Davis was also purchased by Dewey Houston for $55, the money going to the disabled veteran for his personal use.

The Legion last month granted Davis a life membership in the Legion and autuhorized the purchase of a gold plate membership card to be presented to him at a future date.

Closely behind the Legion's contribution to the Davis Fund, the Ontario-Upland Chapter No. 27, Disabled American Veterans of World War, presented a check this morning for $55. The money was voted by the group and brought to The Upland News this morning.

The News To Give Election Results Tuesday Night

The Upland News will give "election night" service as is customary here.

As soon as the ballots are counted, The News will make available to all persons who call by telephone the standings of the various candidates. The service will be continued throughout the evening as long as calls are received Tuesday night.

Anticipating that many persons will be interested in the results, the News' telephone service will be augmented by the Upland theater telephone. Persons unable to reach the News due to the rush of calls at the newspaper office, may telephone the Upland theater. The News will supply the theater with the ballot-count information.

The News' telephone numbers are 311-06 and 311-07.

Upland Theater telephone-number is 315-101.

Upland To Have Dog Pound, and New Ordinance

The establishment of a dog pound and a new dog ordinance took a forward step in the city council last night as the councilmen instructed City Attorney Edward Gray to "prepare an ordinance covering a pound and a humane method of disposing of dogs" after consultation with the city manager and police chief.

H. H. Reimer brought up the matter of a dog ordinance when he complained that too many dogs were running around loose, biting people and getting into peoples' yards. He urged the council to do something about it.

"I think that our dog ordinance should be revised," Attorney Gray said. "The very least the city of Upland can do is to provide that a dog be disposed of in a modern, humane way. A humane society would be a fine thing, too."

Councilman Ray Sherwood said that he was not in favor of putting dogs on a leash but that he felt that the city should have a dog pound.

It was suggested also that by charging a fee for those who claimed their dogs at the dog pound the entire project would be self-supporting in itself. It was also agreed, however, that whether it would be self-supporting or not the city should have a dog pound.

PROCEEDS $140

Proceeds from the Legion breakfast held at Walker's market last Saturday have risen to $140, Edgar Pierce, adjutant, announced today. All of the proceeds will be given to the Veterans' Memorial fund.

Traffic Violations Last Month Exceed Those in 1945

There were three times more traffic violations in March of 1946 than during the same period in 1945, Eugene L. Mueller, Upland police chief, disclosed today. The total for last month was 229 as compared with 84 in 1945.

Speeding led the list of violations with 112 while stop sign violations were second with 73.

There were less criminal violations in 1946 than in 1945, however. A total of 21 was recorded by police as compared with 36 in March, 1945. Intoxication was first in these misdemeanors with 13 and disturbing the peace second with 5. There were 60 persons held in jail last month as compared to 55 last year.

Total Library Attendance 3,438

Total attendance at the Upland library during the month of March was 3, 438, Mrs. George West, librarian, announced today. At the Los Olivos branch there was an adult attendance of 62 and juvenile, 105.

Fiction as usual lead the list of books circulated with 3,702. There were 1,662 non-fiction books read by Uplanders during March for a grand total of the number of books read of 5,848.

Store Hours Unchanged Here

In one of the most largely attended meetings ever held by Upland merchants, it was decided this morning to observe seven holidays throughout the year and to continue present Saturday night store hours until July 1. During the two summer months, it was voted, stores would " in general" close at 5:30 p.m., including Saturdays.

Question of remaing open on closing Saturday nights has been often discussed and it was voted this morning to continue the present policy Saturday nights and some will remain open, as at present.

The merchants voted to close in observance of Good Friday church services on April 19. The services will be held from 2 to 3 p.m. The stores will close at 1:45 and open at 3:15.

The following will be observed as business holidays in the community it was decided: New Year's, Memorial day, July 4, Labor day, Armistice day, Thanksgiving and Christmas. If some day other than Nov. 11 is set as the observance in honor of those who died during world war no. 2, that day will also be a holiday.

District Committees 'Unworkable' Goodban, Hottel, Meek Declare

In a pre-election statement, three candidates today attacked the "district committee" plan as advocated by opponents and proposed a "ward form of government."

The statement, issued by Incumbents James E. Goodban and Paul G. Hottel and by John B. Meek is as follows:

"Goodban, Meek and Hottel are opposed to district committees because the idea is unworkable. Anyone who has served on a committee of any kind knows that the larger a committee is, the more unwieldy it becomes. Instead of increasing the efficiency of the operation of the council, such a system would tend to slow up council procedure.

"If district committees were set up, they would have to be present at council meetings in order to function. In the past it has been difficult to keep the remarks of the various speakers directed to the matter hand, so if each committee is to be heard on each matter before the council, the result is obvious. Nothing done!

"We notice that the 'sales talk' presented by Barbour, Blazer and Carney has never stated how the district committees are to be chosen.

"There is the proposal of Goodban, Meek and Hottel. If elected, we will present a program to bring to a vote of the people whether they desire a change in the manner in which the council is elected. If the people want a ward form of government, then they would be able to elect a man from their own district. The city could be divided into four wards with the fifth councilman elected at-large.

"In this way, each district would be represented legally and the council could make its decisions without being hampered by unwieldy committees which would have no legal standing."

No General Alarms In March; Firemen Answer 7 Stills

There were no general alarms during March, Howard Paulin, fire chief, reported today, although the fire department responded to seven still alarms.

The most costly fire last month was at the Southern California Edison Substation, First avenue at Stowell, when lightning set fire to the electric transformer and several oil switches. Damages have been estimated at $3000.

A parked car at the Parkside project burst into flames for an estimated loss of $318 while an electric motor coil at the Upland Lemon Growers house burned for a loss of $25.

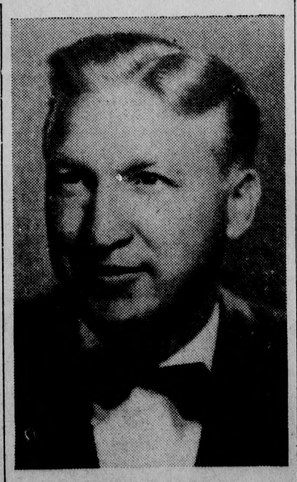

Other fires to which the Upland fire department responded were:

Brush fire, outside of city; trash fire, near the post office; weeds at Eleventh street and Third avenue and one short in wiring at Upland Home Appliance, 155 North Second avenue.

CANDIDATE BIOGRAPHIES

HAROLD N. BARBOUR

First came to California in 1923 and to Upland in 1933. Formerly field scout executive for Boy Scouts of America, purchasing agent and office manager for Premax products corp. of Niagara Falls, N. Y. Spent several years in dairy business in Claremont, has owned and operated citrus groves locally. Now owns poultry breeding farm and hatchery. Is a member of Upland Rotary club, Upland district council of Boy Scouts of America, chairman of local Farm Bureau Poultry Center, member Upland police reserve. Lives in College Heights district of Upland.

WILLIAM C. BLAZER

Native of Pennsylvania. Over seven years of service in U. S. Army. Received medical discharge from paratroopers after 27 parachute jumps. Has lived in Upland 1½ years with wife and small daughter. Back east was employed by Carnegie-Illinois Steel corp. for two years. Also served as volunteer fireman and special policeman for two years in Whitaker, Penn. Active in sports such as football and boxing. Member Disabled Veterans Post and American Legion. Has purchased property in Upland and intends to be a permanent resident.

JOHN E. CARNEY

Born in Pennsylvania. Formerly employed by Republic Steel corp. for four years. Was overseer of one of their experimental plants. Has been in California about three and one-half years, living in Upland one and one-half years since accepting employment with Kaiser Steel Mill. Is making his permanent home here with wife and five year old daughter. Active in civic affairs in Ohio where he ran for public office. Is trained stationary engineer.

JAMES E. GOODBAN

The other incumbent, James E. Goodban, is a native of Fairfield, Iowa, and came to Upland (then North Ontario) in 1901. He attended the Upland Elementary school, Ontario High school and Pomona college. He worked for Stewart Citrus and Purvis Bootery until 1913 and was in charge of the shoe department at the J. J. Atwood company from 1913-1923. Mr. Goodban was the first in the city to volunteer for the armed forces, when he enlisted in the marines a few days after the entrance of the United States in the first world war. He has been the owner and manager of the Goodban Shoe store since 1923. He is a member of the Methodist church in Upland, the Rotary club, American Legion and the chamber of commerce. He is the father of three children, a daughter and two sons, one of whom has just been discharged from the service with another still in uniform.

PAUL G. HOTTEL

A veteran of World War II, Paul Hottel is one of the two incumbent councilmen seeking reelection. During 1941-42 he was president of the Upland chamber of commerce and was elected to the city council in 1942. He was given military leave in 1943 to enter the armed forces and received his commission in the field artillery. He is a native of Missouri and received his schooling in Ohio, Fullerton junior college and at the University of Southern California. He is the owner and manager of the Upland Furniture company and resides with his wife, who is also prominent in civic affairs, at 419 North First avenue.

CARLOS P. LONG

Schooled in the practical construction business, Carlos P. Long, while young in age, has had much experience as a contractor and businessman. His first business experience was in South Gate, where he was a contractor. He moved there after having been graduated from the Huntington Park High school.

Five years ago Mr. and Mrs. Long and their children moved to Upland and they now live in their own home at 584 East Arrow highway. They have six children.

Mr. Long established the Long Bros. paint store some years ago and has successfully operated it at 186 North Second avenue.

Mr. Long has definite ideas about serving on the Upland city council. He has offered himself as a public official in the interests of furthering home-building construction, increasing the size of the Upland shopping district, providing adequate playground and park facilities and adopting a district-representative plan to work with the city council.

JOHN B. MEEK

John B. Meek is well known to Uplanders as are his parents, Mr. and Mrs. H. C. Meek. Born in Upland where his parents now reside at Eleventh street and Campus avenue, the candidate for the Upland city council was reared here under the eyes of many of his fellow citizens.

A student at the elementary schools, Meek advanced to the junior high school, where he first came into the limelight as an athlete. A leader among the students due to his general ability as a young citizen, Meek was popular here as well as throughout his days on the Chaffey high school campus. After starring in nearly all phases of atheltcis at Chaffey, Meeks chose the University of California for his collegiate activities. He served well there in the classroom as well as on the gridiron.

He located in Upland with his wife soon after graduation. The war changed his activities. He served in the air corps, advancing to the rank of captain.

On being discharged he returned to Upland and he and his wife and children are residing in their own home at 1140 North Euclid avenue.

Mr. Meek is engaged in the citrus industry.

AN ANSWER

Answering a political ad in Ontario Report of April 4th concerning Upland's election, in which the Barbour, Blazer, Carney ad states:

"The election of our opponents would produce a City Council of four citrus growers and one merchant."

We answer as follows: Hold-over councilman Mayor Nisbet, citrus grower; Hold-over councilman Ray Sherwood, citrus grower; incumbent candidate James Goodban, shoe merchant now and for many years past, recently purchased ½ interest in ten acres citrus; incumbent candidate Paul Hottel, furniture dealer; new candidate, John Meek, returned young veteran of World War II, home owner, energetic citrus grove caretaker, not a grove owner.

Please, brothers B. B. & C., your above statement is misleading.

Regarding the B. B. & C. statement it is "The City Council's sacred trust to preserve the city's water supplies and should be of no concern to private companies."

Answer—The last two seasons the City of Upland has rented for cash to individuals the equivalent of 24 miners inches of water a day in excess of the city's needs, that would have drained away from their 26th Street wells and been lost if it had not been used.

These wells are on percolating underground stream and not in a basin. In other words, the city councilmen were good businessmen for the City in putting water to use that would otherwise have been lost if not used.

Why all this "picking" on the citrus growers? They have voted for and supported throughout the years everything of value in this area today: Municipal Water System, Sewer System, Chaffey Schools and Auditorium. One Citrus Grower lady donated $75,000.00 to start San Antonio Community Hospital. I know! I have been here since 1883.

My only interest in this campaign is that the truth be presented and common sense prevail. We believe in having councilmen who have demonstrated their ability to do something besides talk.

Cucamonga Girl Hurt In Crash in Ontario

Clara Zavattero, 16, of Cucamonga, was slightly injured in a car crash Tuesday afternoon at Lemon avenue and E street, according to Ontario police.

The driver of the car, Angela Danna, 15, with whom Miss Zavattero was riding, is reported to have swerved sharply at Lemon avenue to avoid hitting the northbound car of Dr. Luke F. Crutcher, 30, Los Angeles, and as a result jumped the curb and ran against a large palm tree.

Miss Zavattero received emergency treatment at a doctor's office while Miss Danna was taken to her home by police. Neither one of the girls were believed to have been very seriously injured.

Special Services At Four Square

Two special services will be held at the new temporary quarters of the Four-Square Gospel church this Sunday. The services will be held at the L. D. Franklin barn, on the south side of Eighth street, between South Second avenue and Third avenue.

Holy Communion will be held at the 11 o'clock services, with the Rev. Lewis Johnson officiating. The Angelus Temple, Bible college male quartet, will be in charge of the 7:30 services in the evening.

The Rev. and Mrs. Johnson, co-pastors of the church, extend a cordial welcome for the public to attend.

Sheriff Shay To Speak Monday

Sheriff Emmett Shay and W. M. Russell, finger print expert from San Bernardino, will be speakers next Monday evening at the regular monthly meeting of the Cucamonga Service club. The meeting will be held in the club rooms, 190 Archibald avenue. A steak dinner prepared by Judge W. B. Hutton will be served. Reservations are required for the dinner, and they may be made through I. F. Nichols, secretary of the club.

Wright, Reimer Ask Voters to Consider Incumbent Slate

In view of the fact that their names will be on Tuesday's ballot even though they have withdrawn from the campaign, Harry M. Wright and H. H. Reimer today emphasized they are heartily in support of the election of John B. Meek.

The two men, candidates for the city council until recently, asked that their friends join in voting for Mr. Meek, who is on the ticket which also includes Incumbents James E. Goodban and Paul G. Hottel.

At the time of their withdrawal, Mr. Wright and Mr. Reiner explained they were quiting the campaign in the interests of electing Mr. Meek and the two incumbents.

"We want to take this opportunity again to ask that voters consider the qualifications of the men on the incumbent ticket and vote for them next Tuesday," the two former campaigners said.

Airplane dusting and use of DDT, along with other new insecticides, will be discussed at a meeting of grape growers, to be held today, 7:30 p.m., at the Guasti schoolhouse, according to Ralph G. LaRue, assistant farm advisor of San Bernardino county.

Many of the arrangements for this meeting have been made by Ted MacLaren, secretary-manager of the Southern California Farmers association. Mr. MacLaren has been responsible for the management of the Cucamonga Mexican Nationals camp furnishing much of the labor to the citrus growers and vineyardists of that area.

Easter Egg Hunt Will Be Held Here On April 20

An Easter egg hunt will be held in Upland April 20.

This timely event will be under the sponsorship of the Upland Lions club and the Upland theater. A free moving picture show will be presented at 10 a.m. with the egg hunt to follow at an undisclosed place. Children, under 12 years of age, are invited to participate. They will be ushered from the theater to the scene of the egg hunt by Upland police.

Boy Scouts will hide the eggs and they will be protected in a roped-off area pending arrival of the children from the show.

Slight Damages As Two Cars Crash

Only minor property damages to one car resulted from a crash at Euclid avenue and Arrow highway at 7:58 p.m., Wednesday. The left front fender of a Buick sedan belonging to J. R. Dadofalsa, Box 484, Upland, was the car damaged.

According to police, the car driven by Mr. Dadofalsa stopped in between the two drives of Euclid avenue and headed west. At the same time another car driven by R. J. Santolucito, 262 North Laurel avenue, which was going west, had made the stop at the east drive and then proceeded ahead. As he was entering the intersection the other car started up again and Santolucito struck the left fender of the Dadofalsa car.

It would be a different world if we diid ourselves what we tell our children to do.

Woman's Society Holds Silver Tea, Musicale in Cucamonga

A silver tea and musicale was held yesterday at the Cucamonga Community church by the Woman's Society of Christian Service of that church. Mrs. Florence Beckley was in charge of the musical program, which included vocal selections by Mrs. Robert Murray, cello selctions by Miss Margaret Hannah, piano solos by Phyllis Blatz, Harriet Wilson, and Mary Jean Stephenson, and piano duets by Mrs. Clarence Beekman and Mrs. Florence Beckley. The tea, which followed the musicale was under the supervision of Mrs. Homer Pinnell.

This social affair took the place this month of the regular meeting of the Woman's Society of Christian Service, of which Mrs. Ray Ford is president.

HERMINE ANDERSON BECOMES BRIDE OF WESLEY AYRES IN TIAJUANA CEREMONY

Surprising their friends, Miss Hermine Anderson, daughter of Mr. and Mrs. Milo E. Anderson, Twenty-fourth street and Mountin avenue, and Wesley Ayres, son of Mrs. Esther Ayres of 757 East E street, Ontario, motored to Tiajuana and were married Wednesday morning at 11 o'clock. Raul B. Soriano, Mexican magistrate, performed the ceremony.

Accompanying the young couple were the bride's parents and her sister, Miss Leona Anderson, and the bride's uncle and aunt, Mr. and Mrs. Jim Dainitz of San Diego.

The bride chose for her wedding ensemble a black dress, with black accessories. An orchid completed her costume.

Miss Leona Anderson attended her sister, and Jim Dainitz served as best man.

Following the ceremony, the group enjoyed luncheon at a restaurant. After an afternoon of sightseeing, the wedding party returned to Upland.

The newlyweds left Wednesday evening for a honeymoon trip to the Sierras, Lake Tahoe and Reno, Nevada. When they return, they will reside at 226 East H street, Ontario.

Mrs. Ayres is a member of the senior class at Chaffey high school, and Mr. Ayres is employed by the Exchange Orange Products company in Ontario.

Auxiliary Officer Will Make Visit at SUV Meeting Tuesday

Regular meeting of Alois Podrasnik camp, Sons of Union Veterans, will be held Tuesday evening in the Memorial hall in Ontario, with Commander J. C. Eames presiding.

Beginning at 7:30 o'clock, colored slides of scenes in Zion National park and Bryce canyon will be shown, and the meeting will follow.

A special feature of the evening will be the official visit of Mrs. Frank Woerner of Inglewood, department president of the auxiliary. She will be accompanied by Mr. Woerner, who is department senior vice-commander. Mrs. J. W. McConkay, president of the auxiliary, will preside.

State Fair Becomes Civilian Again

Trend of the times is evident in this picture as Carpenter Les Truple, right, takes down the army corps headquarters sign at the California State Fair grounds while Pretty Gloria Nord, motion picture and skating star, hangs up the Press-Radio building sign in its old familiar place. The fair grounds, after serving four years as an army supply base, will be used for the State Fair again from August 29 through September 9.

Ray Davis Adopted By Legion Auxiliary

Upland unit of the American Legion Auxiliary "adopted" Raymond Davis, disabled veteran, during their monthly meeting last evening in the Legion club house. Mrs. Donald F. McKean, the president, was in charge.

Plans were also made to give a benefit card party on May 1, the proceeds from which will be added to the Davis building fund.

Following the business session, the members played cards, and two door prizes were awarded. Refreshments were served by Mrs. Clara R. Jacobs, Mrs. Cyril Millington, and Mrs. Earl Golliher, hostesses for the evening.

Mrs. McKean has announced that the remained of the new members will be initiated at the next meeting.

Egypt Subject of Program for Upland Woman's Club

A fascinating story of Egypt will be heard by members of the Upland Woman's club Tuesday afternoon when Cora Montgomery (Ezzat), wife of an Egyptian motion picture star, tells her unique experiences, her vivid impressions of the land and its people; intimate revelations or family life as she lived it in a Moslem home; humorous yet poignant descriptions of Egypt's own son and of their young son, Conrad. These and other topics of thrilling interest she will relate in her word picture of modern Egypt.

Luncheon will be served at 12:30 o'clock under the direction of Mrs. J. F. Sawyer and Mrs. Poli H. Sanchez, co-chairmen for April.

Mrs. J. Emery Sargent, program chairman, has announced that during the luncheon hour the members will hear a short talk by Jack Kenny, who is totally blind. He will tell of his project to rehabilitate newly-blinded persons. He is building a guest house out on the Death Valley trail at Shoshone, California, where these persons will be taught how to live and laugh.

Mrs. W. R. Farmer, club president, will preside over the meeting.

PATIENTS AT SAN ANTONIO COMMUNITY HOSPITAL

Mrs. Everett Williams, 515 South Archilbald avenue, Cucamonga, has returned home after major surgery March 26.

Mrs. Frank E. O'Brien, 635 East Ninth street, was admitted Thursday for minor surgery.

Jackie Sandlin, 11-year-old son of Mrs. O. J. Pierce, 430 Parkside, was dismissed Thursday after receiving medical care.

Elmer E. Bearden, 458 North Euclid avenue, is receiving care for injuries he suffered when he fell from a ladder at his home.

Mrs. Clara B. Tilden, 253 North Campus avenue, is convalescing from major surgery, which she underwent Monday.

Kenneth Asper is walking again. After more than a year of convalescing the young Uplander is now able to get about on crutches and to spend most of the time at the home of his parents, Mr. and Mrs. G. Rueben Asper, 746 Second avenue. He has been at the San Antonio Community hospital since suffering severe burns in an explosion in January, 1945 until this week, when he was removed to his home.

Eugene Wetherbee, son of Mr. and Mrs. Clifford B. Wetherbee, 621 West Seventh street, was brought home Tuesday from the Queen of the Angeles hospital in Los Angeles, where he had been a patient for 47 days. He suffered from a rare spleen aliment, and his was the first case of its kind at the hospital. He underwent major surgery on March 19. Eugene is now making satisfactory progress toward recovery and is able to sit up for short periods each day.

Mrs. Davis Resigns; Mrs. Flocker Chosen PTA President

During a meeting of the executive board of the Upland Parent-Teacher association held Wednesday in the teachers' room of the Elementary school, Mrs. Theo Davis, recently installed as president for her second term, offered her resignation. The Davis family is moving out of the Upland school district.

Mrs. James M. Flocker was elected to succeed Mrs. Davis as president, and Mrs. Harry Dier was chosen to take Mrs. Flocker's former office of secretary.

The rest of the time was devoted to plans for the April meeting of the association.

A good word should be said for the baseball coach at the high school, Harry Yochem. He coaches the baseball team in addition to his other duties of teaching classes and he gives his team all the time he can spare. If Chaffey has really come along, as it seems, much of the credit properly belongs to Coach Yochem. He has been able to inspire his players with a desire for victory and has been able to show them the way in which it can be done.

* * *

Naturally, it is going to take Chaffey college a little bit longer to turn [illegible] because the accessibility of material is a [illegible] at the high schools in that place, [illegible] terial to [illegible] school [illegible] these days [illegible] high school [illegible] on to college. Also, of those that do, quite a few of them go on to regular four year schools instead of a junior college.

So, using these facts as a basis, it is easy to see why the job for Coach Burt Heiser is going to be considerably more difficult. He is to be admired for his determination to make baseball succeed at Chaffey and we have little doubt that in a season or two, the Chaffey Panthers will again be turning out outstanding baseball teams.

* * *

After their decisive victory victory over Santa Ana Wednesday afternoon, the Tiger baseball team seems to stand a good chance of having a pretty good season, after all.

Not many people have been looking forward to having any great Chaffey victories because it is well-known that after a layoff of 11 years it takes at least one season, sometimes two, before a good team can be developed. But the Tigers, if the Santa Ana game was any example, have already come a long way.

The way in which they bunched their hits in the eighth inning to score three runs was something very encouraging to see for Chaffey rooters. The Tigermen did not look like a team that had just started playing baseball after all these years. At times, they had all the earmarks of a veteran aggregation.

Tennis Team Wins Match Again, 7-4

Chaffey High school tennis team continued its winning ways Wednesday afternoon as it defeated Santa Ana, 7-5. The Tigers collected four points in the singles and three in the doubles.

Complete scores follow:

Singles: Chaffey points — A. Cohen over Miller, 6-3, 6-1; J. Trusdell over Smith, 6-2, 6-3; D. Hanna over Froeschle, 6-4, 6-2. Santa Ana—Crenshaw over D. Johnson, 6-4, 6-2; Cole over D. Murane, 6-3, 7-5.

Doubles: Chaffey points—Bill Dingle, R. Blood over Christ and Tapscott, 6-2, 6-3. Santa Ana—Johnson, Johnson over H. Asper and J. Whealey, 3-6, 6-0, 6-4.

Betty Hicks Will Talk at Dinner

Miss Betty Hicks, national women's golf champion, will be the main speaker at the San Antonio Heights Community League dinner on Thursday, April 11. The dinner is being held for the San Antonio Heights Volunteer Fire Department in recognition of its service to the community.

Mrs. Will Anderson, treasurer, said that 125 reservations had already been made for the dinner and that more were expected. At least 200 are expected to attend the dinner.

Included in the musical program will be dancers from the Dorothy Williams studio in Ontario. All of the residents of San Antonio Heights area have been invited to attend.

Dodger Mascots Figure They Rate Rubdown

Mascots Toddy and Lynn Parrott watch Harold (Pete) Reiser, outfielder for the Brooklyn Dodgers, getting a rubdown on his right wing, and see no reason why they don't rate a first-class rubdown, too. After all, they have just finished a hard day's work at the Dodger training camp at Daytona Beach, Fla.

Aitken Has Perfect Day At Bat As Tigers Beat Santa Ana

A barrage of base hits in the eighth inning cinched the game for the Chaffey High school baseball team as it easily defeated Santa Ana High school Wednesday afternoon at John Galvin Park, 6-1.

Ed Aitken, star Tiger first baseman, paced the hitting as he rapped out three singles and got on base two other times as a result of a walk and being hit by a pitched ball for a perfect day at the plate.

Pitcher Peltz and Eleazar Borbon divided up the hurling honors as they kept seven Santa Ana hits evenly scattered throughout the game. The visitors scored their only run in the first inning when with a man on first, Third Baseman Cross smashed out a triple to bring him home for their first and only run of the game.

With the score 3 to 1 in their favor the Tigers went right to work in the eighth inning as Borbon tripled. B. H. Wolfe got a free ticket to first base and when Peltz, who had moved from the pitching box to the second base position, singled sharply over second base to score Borbon. Then Aitken smashed out a long single into left field to score both Wolfe and Graham and to put the game on ice.

Those playing in the game for Chaffey were: B. H. Wolfe, 1f; Graham, rf; B. L. Wolfe, 3rd; Peltz, p, 2nd; Aitken, 1st; Beck, c; Lamb, 2nd; Crabb, ss; Marks, ss; Feldman, cf, and Borbon, p.

Report Improvement In Condition of Mrs. Ralph Mitchell

Mrs. Ralph T. Mitchell, Upland school board member who was seriously injured in an automobile crash last Saturday, was reported to be better today than she has been ever since the accident by San Antonio Community hospital where she is a patient.

Due to the fact that her pelvic bone was broken in several places as a result of the accident, she had been pretty uncomfortable, the hospital said.

"But she is improving and her condition is good," hospital officials reported.

Chaffey Singers Give Program in Upland

Ninety-five singers from Chaffey High school presented a musical program for Upland Junior High school students at the Upland Elementary school auditorium this morning.

Under the direction of Florence H. and S. Earle Blakeslee, the Advanced Girls Glee club and the Boys Glee club sang a variety of songs including "Strike up the Band" by the late George Gershwin; "Smoke Gets in Your Eyes," by Jerome Kerns and "The Riff Song" by Sigmund Romberg.

Charlotte Hoisington was the accompanist.

Other songs included in the program were "My Hero," a soprano solo by Miss Carol Gutierre and "I'm Always Chasing Rainbows," a baritone solo by James Harrison.

Truman Humanitarian, Professor Tells Meeting of Rotary and Lions

While he does not have the gifts of leadership that Franklin Delano Roosevelt had, Harry S. Truman is "deep in the grand tradition of humanitarianism," John A. Vieg, associate professor of government at Pomona college, told a joint meeting of the Upland Rotary and Lions clubs Wednesday at the Upland Woman's club.

Analyzing the "new man in the White House," Professor Vieg quoted from speeches made by President Truman before and after his elevation to the presidency to illustrate the things that the president believes in.

"He is deep in the grand tradition of humanitarianism—that fine American tradition of caring for the underdog, being ready to go to the support of the little fellow," he declared.

Mr. Truman did not become president in his own right until after the end of the war, the Pomona professor continued, because until that time he was carrying on the policies of his predecessor. It was when the war ended that he had to face the problems of reconversion in his own right.

"Truman is not what we call an intellectual like Roosevelt was. He thinks of himself as a good American and accepts the social and economic system as it is," Mr. Vieg declared.

He was not concerned because Mr. Truman was supported by the Pendergast machine in Missouri when he became senator, Professor Vieg declared because one of the greatest prime ministers of England, the Earl of Chatham, came from one of the "rotten boroughs." He pointed to the fine record that Mr. Truman had as a senator as an illustration of this fact.

"He has not, however, been too successful with Congress despite the fact that he was very determined to heal the breach with them," he added.

Mr. Truman had always been the "happy politican" and was even the first few months of his administration, Professor Vieg continued. But with the reconversion problems staring him in the face he is not happy any longer because he never did want to be president, anyway.

"But he is growing under those heavy responsibilities and I trust and believe that he will continue to so grow," Professor Vieg concluded.

Charles K. Greear Taken by Death; Services Saturday

Funeral services for Charles K. Greear of Blythe, former Upland resident, will be held Saturday afternoon at 2 o'clock at the Stone Funeral home, 329 East Ninth street. He was 73 years of age.

Mr. Greear passed away Wednesday at a Riverside hospital where he had been a patient for a month, following an illness of 18 months. A native of San Angelo, Texas, he came to California 24 years ago. He lived in Upland from 1922 to 1933, and had made his home in Blythe for two years. He was a retired farmer. His wife died in 1926.

Surviving Mr. Greear are a son, Homer Greear of Upland; four daughters, Mrs. John Settle of Upland, Mrs. Frank Adams of Blythe, Mrs. Vernon Sylvester of Phoenix, Ariona and Mrs. Robert Cox of Strathmore; one sister, Mrs. Lester Spires of New Mexico; a brother, Shady Greear of Alpine, Texas; and 16 grandchildren.

Funeral services will be conducted by Dr. Samuel Hughes, pastor of the Upland Methodist church, and interment will follow in Bellevue cemetery.

Chaffey Will Get Army Barracks

Because the housing shortage is the biggest deterrent to bringing more students to Chaffey, the Chaffey school board Tuesday night authorized Comptroller Daniel Milliken to proceed with negotiations to secure army barracks which would be placed on the Chaffey campus.

"The more students we can bring in the less tax money it will be necessary to raise from the district," Gardiner W. Spring, Chaffey president, said.

The action on the housing was taken in order to provide living quarters for veterans who are expected to be the chief source for new students. It is expected that Chaffey will lose about 200 students due to the formation of a new junior college district in eastern Los Angeles.

President Spring also said that in order to draw more students it would be necessary to offer the best possible courses as an inducement but at the same time to be careful to preserve district funds.

quire additional expense for the city to hold a special election.

WATER REQUESTS APPROVED

Four of the five requests for outside water were approved but the council balked on granting water to an auto court on Foothill boulevard. Although no official action was taken the councilmen expressed the feeling that the granting of water to commercial establishments outside of the city limits should be curtailed.

Those whose requests for water were approved were:

J. H. Freeman, lot 1, block 11, San Antonio park tract; Reinoldo D. Noriega, lot 11, tract 1845; John L. Shormicle, lot 2, block 1, tract 1845, both San Antonio; and Charles H. Hoag, lot 1, San Antonio park tract. Water for the auto court on Foothill which was disapproved was requested by Luke S. Moore.

A claim of $167.31 for damages by Clyde L. Pittman resulting from a crash with a police car was denied by the councilmen upon the recommendation of City Attorney Gray.

"My suggestion would be to let the insurance companies fight it out," Mr. Gray said, revealing that he had also filed a claim for the city against Mr. Pittman for damages to the police car.

City Attorney Gray was instructed to draw up an ordinance for the adoption of the revised building code of 1946. Alta Loma was granted the use of the Upland city dump in the future. The council also approved a resolution authorizing the city clerk and the city engineer to sign maps and certificates of sub-divisions approved by the council. The Fay Marr subdivision at Seventh street and Campus avenue was approved, providing that sewers, curbs and sidewalks were included.

City Manager R. G. Manley reported that the only way in which the site south of the city hall, now owned by the Market Basket, could be secured by the city would be to find them another place in a suitable area.

The request of the Santa Fe for a sign at Foothill boulevard and Second avenue was turned down by the councilmen until it was shown that there is a definite need for such a sign.

Local Red Cross Figures Higher

Exceeding its Red Cross quota by 25 per cent, Upland today is on record as continuing its wartime program of giving full support to all worthy causes.

Receipts during the annual membership drive totaled $11,561.32, it was reported this morning by Owen E. Atwood, chairman for the Red Cross campaign.

Camp Baldy residents did the unusual—they subscribed more this year than last year and this is regarded as a major event, Mr. Atwood said. Mrs. C. R. Chapman was Camp Baldy chairman. All outlying areas generously supported the Red Cross, it was reported.

Local Vet, Here With Family, Job, Must Have Residence

Where is there a house for a local veteran and his family?

An Uplander, in uniform more than four years, has returned to Upland and to a local job—if he can find a house.

For more than two weeks he has been conducting a thorough search for living accomodations for his wife and little son. But there is none available, unless some public spirited home-owner comes to his aid immediately.

A telephone call will enable an Uplander to remain in his home town and to resume work here where he left off when the war called him away. The telephone number is 318-328. His name is Lt. George Foote.

Let the PEOPLE Rule!

On April 9th the citizens of Upland have a glorious opportunity to secure their rightful voice in the government of our city. We are pledged to:

1. The establishment of District Committees for each section of Upland—East, West, North and South—looking toward future election of Councilmen by districts.
2. A more stable and diversified economic structure for Upland. New homes, business and light industries shall be located only when, where and how you citizens want them, acting through your own District Committee.
3. Seeking new and outside sources of revenue for Upland so as to avoid increased rates to present taxpayers who are faced with mounting costs of municipal government.

For truly representative government in Upland, vote for

Sultana District. How Does That Sound To You?

If you haven't heard of the Sultana district yet, there is a pretty good chance that you will hear a lot more about it in the near future.

Appearing before the city council last night, H. H. Reimer, speaking for the residents of that particular section, protested at it being referred to as the "south end of town" or as the "south side of the tracks." He said that people who lived there just didn't like to have it referred to it in that way.

While the council expressed its sympathy and agreed that another name would be preferable, it told Mr. Reimer that it would depended upon the people who lived in the "Sultana district" to select the name that they wanted.

"Perhaps the newspapers can run a contest of some kind and give the winner $400 or $500," Councilman Ray Sherwood suggested.

Representatives of the press at the meeting had no comment on the suggestion but reliable sources stated that they were going to petition the city council to provide the prize money.

Everyone seems to be wide-open to any suggestions that any one might have on what name would properly fit the district and the "south end" is definitely not desired by the residents there. The "Sultana district" was just a suggestion taken out of thin air by Mr. Reimer so that he wouldn't have to call it the "south end."

So, its all up to the people who live in the temporarily named "Sultana district" to decide what it shall be called. The field is wide open and the city council is willing to cooperate in any way with the people living there. In the meantime, the "Sultana district" will be with us for a while at least.

New G. I. Loan Provisions Prove Workable, Upland Banker Says

"The procedure is now very simple and we are finding it quite workable," Frank Nichols, manager of the Upland branch of the Bank of America, said today in commenting on the newly liberalized loan provisions of the G. I. bill.

"It is possible now to give the returned veteran who wants a loan a definite answer in a matter of three or four days," Mr. Nichols said.

The procedure on real estate loans is now very simple, he continued and with the priority now established on veteran housing every effort will be made to provide them with the funds so that those who want to build homes will be able to do so.

"However, both old homes or new construction must be approved by the Veterans' Administration appraiser," Mr. Nichols declared. "This is done, not to discourage building, but to protect the veteran from incurring a larger debt than he can pay."

As for business loans the procedure is not so simple, Mr. Nichols continued. There must be tangible evidence that the veteran desiring to start in a new business will succeed.

"It is only fair to the veteran that he does not invest his money in a business in which he has had no experience because the chances are against him that he will succeed," Mr. Nichols said. "Also, if the line of business that he wants to go into is overcrowded we definitely advise him against it and cannot very reasonably make the loan."

Mr. Nichols said that in order to provide information on loans and other matters of interest to the veteran, C. V. Thompson has been appointed as a veterans' counsellor for the Bank of America here. He will be available at all times to talk with veterans about any of their problems, he said.

Applauding the fact that "the veteran is getting a break in the housing at last," Mr. Nichols said that the recent amendments to the G.I. bill "took out the hocus pocus, eliminated the red tape and streamlined the procedure."

Methodists To Show "Blind Beggar" Film

Two religious motion pictures for the entire family will be presented at the Methodist church of Upland Sunday at 7:30 p.m. They are "The Blind Beggar" and "Fishers of Men."

Dr. Samuel Hughes, pastor, in commenting on the pictures said, "Christian people will be intrigued by the witness of the blind beggar in the face of the Temple and Home authorities. Both pictures are especially fine for all the family and all Christian workers."

Youth Center To Elect Officers

A president and secretary will be elected at the Community youth center in Ontario on Thursday, April 11, Marjorie Foote, director, announced today.

Nominations for both offices were made at a general membership meeting held recently. Those nominated for president were Jim Beaver, Harold Borchert, Melvin Chase, Don Kavatnavich and Bill Dunlap; for secretary, Mary Anne Downey, Jackies Renfre, Pat Conner, Ekky Lane, Jane Oliver and Don Marks.

A name for the center will also be voted on at the meeting Thursday. A call for names was issued by center officials and all those turned in will be considered at that time.

Of all the games played since the opening of the Youth Center, pool and ping-pong have proved the most popular, Miss Foote said. Checkers, card games and dancing also seem to be desired by those attending.

The average attendance for the week-end has been 120, on high school days (Monday and Wednesday), 75 and on Junior High school days (Tuesday and Thursday), 65.

Legion Favors Bond Issue; May Buy Building

Upland post 73 of the American Legion agreed Wednesday night to circulate petitions to place the question of a bond issue to finance the Veterans' Memorial squarely up to the people at the June 9 primary.

At the same time the executive committee was empowered to look into the possibility of purchasing another club house which would accommodate all the membership, pending action by the voters on the Memorial. This action was deemed necessary since it is expected that it may take several years before any construction on the Veterans' Memorial can begin. The Legion has been meeting at the I.O.O.F. hall because its present quarters are too small to accomodate its swelling membership which has now reached the 191 mark.

IDEA DEEMED BEST

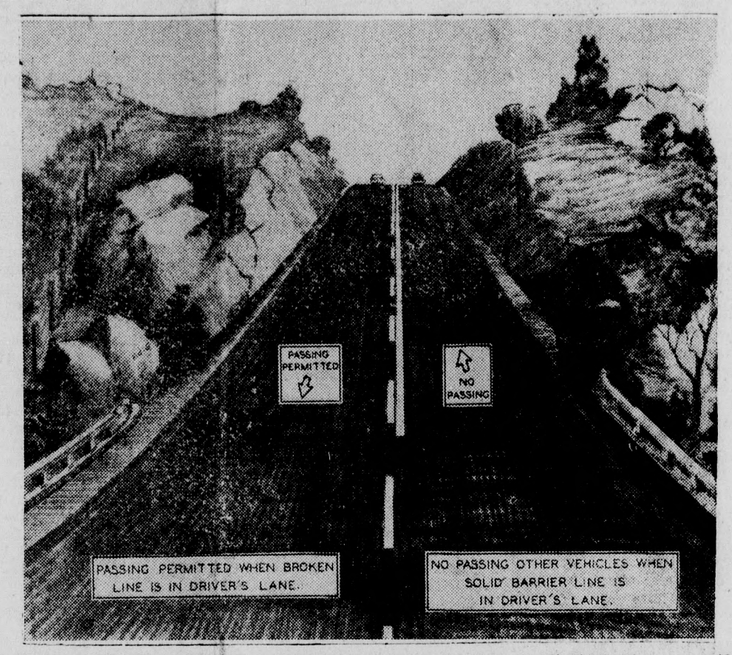

The idea of a bond issue to finance the Memorial. was deemed to be the most feasible at a meeting of civic leaders held in the city council chambers on Wednesday, March 27. The Legion building committee sponsored this meeting in order to find out exactly what the community desired.

Under the new plan proposed by the Legion the Veterans' Memorial would be a community project under the custodianship of the Legion post. It would be open to all veterans' organizations, youth groups and civic clubs and the auditorium could be used for any civic activity.

With the traditional impressive Legion ceremonies, 25 new

NEW "NO PASSING" LINES IN STATE EXPLAINED

The director of public works has released this picture in order to illustrate the new uniform national system of highway signs and traffic control devices. In this shot is shown the two kinds of lines, one permitting passing and the other prohib iting it.

Speeding Driver Gives Upland, Ontario Police Merry Chase

John Junior Fieste, 22 of Monterey Park, is no piker. When he gets into trouble with the police he does a good job of it and he will have his opportunity to tell Judge Mildred Puckett all about it next Tuesday.

He has seven charges facing him and they all were accumulated as a result of a merry chase with Upland, Claremont and Ontario police Tuesday night. They are speeding, reckless driving, right-of-way violation, stop sign violation, driving on the wrong side of the street, no car registration or license plates and defective headlights .

The 85-90 mile-an-hour chase began on Euclid avenue when Captain Ralph Palmer saw Fieste speeding north on Euclid avenue. At Eleventh street the youth turned north on the west drive against traffic while Captain Palmer continued after him on the east side.

Continuing the chase Captain Palmer was unable to overtake the speeding car as it turned west on Arrow and sped at 85 miles per hour towards Claremont barely missing sideswiping another car in the crossing. Then he turned north on Mills avenue and driving alternatey with his lights off and on, Fieste pushed another car off the road and then turned back on Foothill towards Upland.

From this point Officers John J. McCarty and Feiix Quesada, who had been warned about the speeding driver and were waiting for him at Mountain avenue, took on the case. But Fieste took off again at 90 miles an hour down Foothill and turned south on Euclid. He just missed being hit by a Santa Fe locomotive as he went over the Euclid crossing and it seemed like he had shaken off the police who were delayed by the train.

But the end was near for John Fieste as he turned down A street, Ontario, because Robert Glover, Ontario assistant police chief, was waiting for him. He was turned over to McCarty and Quesada who took him to the Upland police station where he was cited for seven traffic violations.

Investigate Burglary At Heights Home

A burglary late Monday afternoon in San Antonio Heights is being investigated by Deputy Sheriff Ernest Mehl and William Smith. More than $425 worth of jewelry was stolen from the home of Newell Casler, West Twenty-fifth street, San Antonio Heights just west of Euclid avenue.

Benefit Paper Drive To Be Held Tomorrow

Clyde De Long, scoutmaster of Upland Troop No. 4, reminded Upland citizens that tomorrow is the day when his scouts will go by all homes to pick up old papers. Anyone desiing to participate in this paper drive should have their bundles of paper in front of their house tomorrow morning, he said.

The paper drive is being conducted by Troop No. 4 in order to help the Raymond Davis Building fund. All the proceeds from the sale of these papers will be turned over to the Davis fund.

Those living outside of the city may make special arrangements to have their paper picked up by calling Mr. De Long at 317-424, Odis R. Baker, 316-160 or Clifford Weatherbee, 316-160.

Public Invited to School Week Program At Junior High School

Public school week will be crystalized next Thursday at the Upland Junior High school when the Upland Masons hold a special program featuring a musical program and a prominent speaker.

Dr. James V. Latimer, civic leader and missionary in China for more than 30 years, will be the principal speaker. Marvin Francisco, chairman of the Public School Week committee in Upland, said that the public is cordially invited to attend since the entire affair is being planned for them.

Public school week is held every year by the Grand Lodge of Free and Accepted Masons, State of California, in order to call attention to the function that public schools perform.

Invite Radio Amateurs To Pomona Meeting

Attention of all radio amateurs in Upland and vicinity is directed to the meeting of the Tri-County Amateur Radio association to be held at 7:30 p.m. on Wednesday, April 10, at Scout Headquarters, 145 East Monterey, Pomona.

All who are interested in amateur radio communication are invited, whether they hold amateur licenses or not. Invitation is especially extended to returned veterans and to former members of the club.

Homer Davis Gets Navy Discharge

Homer C. Davis, son of Frank Davis, West Fourteenth street, received his discharge from the Navy on March 31 at San Pedro. Formerly a student at the Upland Junior High school, he spent 25 months overseas on several Navy ships.

Slight Easing Of Housing Shortage Seen

The housing shortage is not over by any means, but a good start to solve it was taken in Upland this month as building permits for the construction of 11 new homes were issued by Richard Derby, city building inspector.

Robert P. Long led the long list of home builders as he disclosed that he was undertaking the building of five new homes. Three of them, all five rooms, will be located at 576 Olive street, 561 Highland court, 558 Olive street. The remaining two at 588 Olive street and 589 Highland court, will be six rooms.

Addition of a seven room first story by P. W. Rohrbaugh to an existing grade level six room living quarters at 1490 West Sixteenth street, highlights the remaining permits issued for new construction. The upper floor with its seven rooms will comprise the living quarters while the downstairs will probably be used partly as a rumpus room. The cost is estimated to be $12,000.

A four room house and garage is being built by Pete Caindec at 1395 East Ninth street. Robert D. Blake is the contractor while W. J. Nygaard drew the plans. Kenneth D. Goodban, of 305 East B street, Ontario, is building a three room house at 1445 Salinar street in Upland. A five room house is going up at 385 South Third avenue. The owner is A. Vernon Fields and the house will have 1068 square feet. Two more homes, one by Fay S. Marr, of 862 Sycamore court, at 781 Sycamore court which will be five rooms and another by W. E. Chadwick, of Los Angeles.

Other building permits issued were one to John Caltabiano, 1573 North Euclid avenue for alterations and repair, with the Valley Construction company as the contractor; and three for termite damage repair being done by the Antimite associates, Isaiah Palmer, 732 North First avenue, T. T. Eads, 939 North Fifth avenue and William A. Clark, 875 East Seventh street.

Vote Tuesday—Then Unite to Help City Grow on Solid Foundation—

Public interest in the community's problems is at the highest point in the city's history.

The campaigns, the number of candidates and the jockeying that has occurred among the candidates have aroused the public to a point that should make the vote totals a record next Tuesday.

It behooves every voter to be at the polls. Three men, a majority of the city council personnel, will be elected. It is of vital concern to every resident as to who is elected.

Of the 10 candidates originally in the race, only seven remain. Two of the seven are incumbents, so at least one new face will be around the council table in the future.

Generally speaking, the city as a whole has been well-governed and the public services are of a high standard. Continuation of the present policies—we assume—can be expected through re-election of the two incumbents.

The real issue next Tuesday is: "Shall we have the city governmental policies continued along the current pattern; or shall we face the prospect of a major change?"

We believe the re-election of James E. Goodban and Paul G. Hottel is for the best interests of the city and will insure the community of progressive, efficient management. Brought to the forefront during the campaign has been the question of getting more industry for the community. The city council election is not the occasion to decide that question.

Many residents are heartily in favor of whole-heartedly supporting a move to have Upland make the most of its opportunities for a sound growth. An aggressive chamber of commerce, supported liberally by ambitious businessmen and others, and encouraged by a progressive city council, can do much in seeing to it that Upland's opportunities are fully realized.

While the city's problems and needs are being discussed, now is the time to begin planning for a broader civic development program through the chamber of commerce.

Ahead are many changes and many opportunities for Upland to grow on a solid foundation.

Our immediate job is to elect the best representatives on the city council—then continue a good job by focusing our efforts in the logical promotion agency—the chamber of commerce.

Mac Says So

By MAC McQUILLEN

After due consideration, vigorous denunciations and some hearty commendations for "Bull Session" we have voted to make this former "Pasture and what not" plain old "Mac Says So."

One learned friend writes—"Bull Session" is inexcusably bad. Another, a friend of many years, unburdens a bit of sentiment:—"Mac, Old Dear, make it 'Mac says so'. We are so used to those 'three little words' that it helps to a slight degree at least, for not finding you on tap in the Old Joint". Well, folks, there is a lot of sentiment flavoring the constant association with your friends. It is cumulative through the years. Mac says so.

A short time ago, a group of the Old Timers were rehashing the modes and customs of the days when the Macs first came to Upland. They were shooting the breeze about the times when the boys would hire a livery rig (horse and buggy to the younger generation) and drive out to the Cucamonga Winery where the ancient Chinaman would fill their gallon jugs with "Vino". There was an argument as to whether the price was 35 or 50 cents the gallon. Of course, those were the days when there were no frills, regulations or such taxes as are now imposed.

Old Mac was surely a tenderfoot in the ways and lingo of the great Southland in those earlier years. Frequently hearing the name "Jackass Brandy", young Mac innocently inquired "Why do they call it Jackass?"

With a grin my informer replied "Because it has a kick".

I learned about Brandy from him.

Cheerfully yours,
Mac

members were initiated into the post. Prior to being officially welcomed into the Legion members were informed of the ideals and principals that the service organization stood for.

NEW MEMBERS LISTED

Those initiated were:

Donald Plum, Donald Rogers, Howard Burnett, Jesus Sandoval, Fernando Rumbaua, Victor Vicente, Ellsworth Mitchell, Donald Owens, Ricardo Barbosa, John Blacksher, Paul Read, Robert McMasters, Angus Boyd, Paul Hottel, Nabuo Nishmori, Delbert Fox, Robert Armstrong, Paulino Jobahib, Thomas Bryant, Ralph Childers, Marcos Telada, Lawrence Moore, John Meek, Calistio Gomez, and Felix Queseda.

Other action taken by the Legion included the giving of $25 to the Fourth of July fireworks fund and the adoption of the revised by-laws. It was also announced at the meeting that the 25th District meeting would be held in Ontario on Tuesday, April 9, and all Legionnaires who possibly could should attend.

CERTIFICATES SHOWN

Certificates from the USO and the FBI which have been awarded to the Upland post for its service to both organizations during the war were shown to members by Edgar Pierce, adjutant. It was also disclosed that the contract had been signed for the Legion carnival to be in the city from June 18-23.

Guests at the meeting were four officers of the Ontario post. In attendance at the meeting Wednesday from the neighboring city were Gus Laine, commander; Dean Duncan, adjutant; George Stewart, chaplain and Virgil Adams, first vice-commander.

Letters To The Editor ...

AS IT LOOKS TO ONE VOTER

On next Tuesday, April 9, we will elect three councilmen to help administer our city affairs for the next four years. On one hand it is our privilege to choose three men of established reputation, character and dependability, whom we have known for years.

On the other hand, we have the choice of three out of five other candidates of more recent residence, who we hope are of the same high type of citizenship, interested in the well-being of all our residents. However, in choosing men for positions of trust, we believe that the personal record of candidates should be known for a reasonable period of years.

FRANK C. BUFFINGTON

As concerning our chice of three candidates, James Goodban and Paul Hottel, incumbents, and John Meek, we have watched two of them grow up. We know that all three are honest, honorable, dependable, sympahetic with our problems and capable of administering Upland's affairs. With them in charge of our city's business we rest assured of the continued high efficiency of our police, fire, street- and water departments and the safeguarding of our cash reserves, built up over a period of years.

To the block of three new candidates, who by their advertising seem to be just busting to lift poor little Upland out of the doldrums, allow us to whisper this in your ears: Up to the time of this letter going to press in The Upland News not one of the three of you has taken a membership in the Upland Chamber of Commerce. Come, join our booster organization and grow up with the West.

In the meantime, please everybody vote early, April 9. This is an important election.

Frank C. Buffington

To the Editor:

In a statement printed by the Barbour-Blazer-Carney ticket, it was stated that the property owners who live outside of the city limits of Upland and receive the benefits of the city services, such as police, fire and water, are parasites, and if elected they will correct this terrible thing.

The greater part of College Heights, in which I have lived for the past fifteen years, is outside of the city. We who live in College Heights resent being called parasites just because we do not live in the city of Upland. We spend our money in Upland, and a check of the records will show that we have helped in a big way to put Upland over the top in all bond loan drives, Blood Bank, Red Cross and other drives. We have had large number of people who have donated their services to Civilian Defense, the Red Cross and other activities. I feel that the city owes us the police and fire protection. If we who live outside were to do our trading and banking in Claremont it would hurt Upland more than the lack of Upland City police and fire protection would hurt us.

Harold N. Barbour has taken credit for the inhalator the city has recently obtained. This was paid for by public donations and it will probably shock Mr. Barbour to learn that some parasites' money was donated. Mr. Barbour also takes credit for running the steam engines off of the Pacific Electric system. He was only one of a great many from Los Angeles to San Bernardino who tried to get the P.E. to return the line to prewar service.

Upland has in the past had members on the council who have been responsible business men with years of experience, and who have financial and business interests in the city of Upland.

It would be interesting to hear just what qualifications Mr. Barbour, Mr. Blazer and Mr. Carney have that make them worthy of the honor of a place on the Upland City Council.

S. W. Teague
1660 West Eleventh street.

Around Town

BY THE TOWNSMAN

"Never a dull moment at a Legion meeting" should be the slogan of Upland post 73 of the American Legion. The meeting Wednesday was more like a discussion group, or a debating group, than a gathering of ex-servicemen.

Gus Laine, commander of the Ontario post, proved to be the guilty party when the money collected from fines was suddenly found to be missing. It so happened that Commander Laine, who seems to have a constant sense of humor, decided he'd have a little fun and hide the money. It was found finally under some large blotters on one of the desks.

Another guest at the Legion meeting was George Stewart, chaplain for the Ontario post, who also provided some amusement with a little speech near the end of the meeting.

Election rumors are really flying high, wide and handsome now that the election is only a few days away. You can walk into one local coffee shop and hear that the incumbents are sure to be turned out and then go into another and be assured that the entire incumbent slate will go in hands down. Without attempting to stick our necks out, this department will merely say that it is going to be close, no matter which way it goes.

At the joint meeting of the Upland Rotary and Lions clubs Wednesday, the "hungry five" band from Chaffey made the biggest hit. They marched in just after a gun went off making the Lions and Rotarians alike jump in their seats. But since it was all in fun, everybody had a merry time and nobody called in Sheriff Emmett L. Shay to investigate.

Now that the war is over, observes Edgar E. Lampton, director of motor vehicles, motorists have stopped worrying about gasoline tickets and have started worrying about speeding tickets.

Weber's BREAD-TIME STORIES

KITCHEN TRICK

IF YOUR MERINGUE seems doomed to always go flat, remember a too hot oven can be one cause, or the wrong proportions of sugar to egg white. Remember, two tablespoons of sugar for each egg white.

HOUSEHOLD HINT

TO AVOID needless staining of your hands while peeling or scraping carrots, keep this trick in mind. Always keep your carrots under running hot water. The hotter, the better.

RECIPE

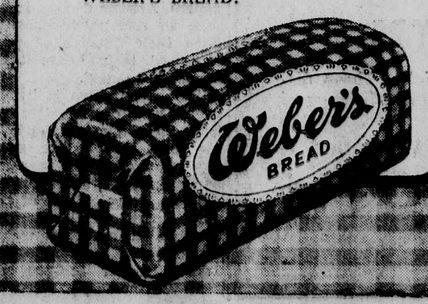

APPLESAUCE TOPPING

½ c. applesauce
1 tbsp. orange juice
1 egg white, beaten
½ tsp. grated orange rind

To thick applesauce, add orange rind and juice. To stiffly beaten egg white, gradually add ¼ cup sugar and beat thoroughly. Fold into applesauce. Makes 1½ cups of "icing."

IT'S A GOOD IDEA

TO WRITE TODAY for your FREE copy of Weber's "GOOD IDEAS" book. Address: Weber Baking Co., Dept. 11, Box 1730, Wilshire-La Brea Station, Los Angeles 36, Calif. And it's a GOOD IDEA to always buy WEBER'S BREAD!

VOTE FOR ALL THREE

James E. Goodban
Incumbent
Businessman

These three men can best serve ALL the community. They know Upland. They know its past and its great future possibilities. The community can go forward steadily, substantially, progressively with them on the council. Experience is important — and these men have had experience in managing your city.

John Meek
Native Son
Citrus Industry

These three men are capable. Their record in the community has proved their ability as businessmen and leaders. They are public-spirited. On many occasions they have served their community whole-heartedly and unselfishly.

Paul G. Hottel
Incumbent
Businessman

We Urge That You Elect These Men To The City Council

The City of Upland is in a very splendid condition financially. The incumbents have had a part in achieving this enviable situation. Their record on the council has been one of efficiency and economy. They have proven themselves as fair, broad-minded administrators.

Mr. Meek, a candidate for the first time, is favored as the third member of the incumbent ticket because of his keen interest in the community and of his ability in analyzing problems. He is a representative of all the people in all parts of the community.

Great opportunities are ahead for Upland—and we believe these three men are the most capable in directing our community's affairs to enable Upland to achieve the most.

Confidence can be placed in these candidates. They are known to virtually everyone in the community. They have had a part in the community's activities for many years. Time and again they have demonstrated their interest in Upland by unselfishly and whole-heartedly giving their time and effort to the development of the community.

Their platform is that of giving the city the best possible municipal government, of maintaining our city efficiently and of whole-heartedly supporting any worthy cause and project that will be for the best interests of the community.

The city's future, with these men on the council, will be one of continued growth, of sound development and of utmost efficiency in administration.

EVERY RESIDENT IS ELIGIBLE

Every family in Upland, Alta Loma,, Cucamonga and Etiwanda is included in the Upland Merchants' Dividend Day. A directory has been especially compiled by The Upland News. This directory includes every house address in these communities—Upland, the outlying district, and the three communities east of Upland.

A page number and line number are selected in a drawing to determine where the "Dividend Day Man" will call with the award. Thus, an address is selected from the directory. If the family receiving the call qualifies by having sales slips, the award is presented. The call is made at 6 p. m. every Monday. The sales slips must be dated Saturday.

The dividend sales do not have to be for cash, a "charged" sales slip being acceptable. In all fairness, however, a sales slip for payment on account cannot be eligible for use on dividend day.

Passiontide Will Be Observed

"Your Destination—Heaven or Hell," will be the subject of the sermon to be delivered by the Rev. John A. Luther, rector, at St. Mark's Episcopal church Sunday morning. This sermon is the fifth in the series of "The Anthem of the Universe."

The Litany sung in porcession will mark the opening of the Passiontide and will be followed by a choral celebation of the Eucharist. The Passiontide, observed the last two weeks of Lent, is the most solemn period of the church year. It is intended to be a time of intensive preparation for Easter.
